## Cruise Planning:

We are scheduling a Whale Watching Cruise to Drake's Bay on the last weekend in March, (28-29). Perhaps, we should call this a Make Up Cruise! Since the grays and sperm whales will be migrating until April/May. The plan is to meet at GG Bridge about 8:30 am, since the ebb tide is going to slack at 9:30 am. Then we will sail north to Drake's Bay where we plan to anchor over night. The return trip on Sunday will be timed to take advantage of the flood starting at 1:19pm, which goes to slack at 4:47pm. Thanks Chuck for the idea and the detailed info.

If the elephant seals are still in residence, we can dinghy in for a friendly visit.

A cocktail/appetizer party will be hosted by Betsy and Karl on "Jo Jo" about 5:30 pm on Sat.

Dinner arrangements can be made among those attending.

Sailing back along the Marin County Coast is an option if the weather is cooperative.

We will communicate on Channel 72. Anchoring out in Richardson's Bay on Friday night is an option for those who can get away on Friday afternoon.

Email Karl: [karllivengood@comcast.net](mailto:karllivengood@comcast.net) if you plan to attend the cruise.
